Revenge

Kaledon

Through many years and many tears
The big Fear is gone away
the big war is coming near
the redemption begins now

Free in the land we're not afraid like pure spirit we live they want the end of the ages but they won't hurt us, never more

Revenge
Revenge for save the kingdom
Revenge
Revenge for fight the evil

The rage, the fury, the justice for all This is the honor of the king we Ride the sky, we fight the death the only word is revenge

Antillius wants the end of the evil The heroes fights this holy war This is the time, the Second Fall Is the revenge of Kaledon's sons
