

Dear Nellie Goodrich

Kaleidoscope

Dear Nellie Goodrich
I am writing to you
To tell you of my love
Please don't be offended
I mean you no harm
Sure as the sun shines above

Dear Nellie Goodrich
I have watched from afar
You pass my house each day
The dreams that I dream
Are always about you
But, oh dear, what can I say?

In these few words that I'm writing
Is my life open for you to see
And one wish that I wish constantly
I wish that you could see me

In these few words that I'm writing
Is my life open for you to see
And one wish that I wish constantly
I wish that you could see me

Dear Nellie Goodrich
I am ending this letter
I will wait patiently
I will be thinking
And dreaming about you
Dear Nellie, please think of me
