

## Dear Nellie Goodrich

Kaleidoscope

Dear Nellie Goodrich  
I am writing to you  
To tell you of my love  
Please don't be offended  
I mean you no harm  
Sure as the sun shines above

Dear Nellie Goodrich  
I have watched from afar  
You pass my house each day  
The dreams that I dream  
Are always about you  
But, oh dear, what can I say?

In these few words that I'm writing  
Is my life open for you to see  
And one wish that I wish constantly  
I wish that you could see me

In these few words that I'm writing  
Is my life open for you to see  
And one wish that I wish constantly  
I wish that you could see me

Dear Nellie Goodrich  
I am ending this letter  
I will wait patiently  
I will be thinking  
And dreaming about you  
Dear Nellie, please think of me
