

I'll Kiss You Once

Kaleidoscope

I'll kiss you once, I'll kiss you twice
Won't you say it's very nice
I'll kiss you three, I'll kiss you four
Won't you let me through your door

I'll kiss you five, I'll kiss you six
By seven we can be in heaven
I'll kiss you eight, I'll kiss you nine
By ten we'll start all over again
