## Alteration

Kalmah

With outspread wings eyes wide open glides osprey Wounded by a gun never fired - humanity Twisted form genotype inside - lethal decease From generation to others will occur

World in its forms is dying Polymorphism is ruined Or ...?

Are these changes in system meant to be done ? How fast will proceed this process that slowly begun ?

Into the night we disappear - before the end Silence will creep over the planet - final era Component parts of life remains - combination And under control of creator the new race will born
