Thoughts of hope in the minds of those whose Lives are on decline A thousand lies told them with bright eyes And believed without doubts of employment Now it's time to think very positive Deny all the evil things Hah, right time to face this reality Take all the pain Coming with me - Bird of ill omen Living in me - Bird of ill omen Bird of ill omen Purity behind the mask of innocence Weakness of this world Blind-eyed fools will never rise from unfairness Until they'll join the Good! Coming with me - Bird of ill omen Living in me - Bird of ill omen Bird of ill omen The carrier of the crown of thorns Hides behind a dollar smile And will judge the Poor! So let's throw away all our useless hope Nothing will ever change! Hah, right time to face this reality Take all the pain Coming with me - Bird of ill omen Living in me - Bird of ill omen Bird of ill omen
