

# Alexandria

Kamelot

Far across the sea  
A place of history  
In Egypt's land  
I'll build a city  
Beautiful and strong  
Beyond belief  
A new metropolis  
To redefine my destiny

Rise and shine Alexandria  
Under protection of my name  
Pure, divine, and imperial

A place to watch the stars  
The center of the earth  
I see it all, my worlds converging  
And to guide a king's armada through the night  
I raise the seventh wonder to delight Poseidon

Rise and shine Alexandria  
Under protection of my name  
Pure, divine, and imperial

Make me the city of a living angel  
Casting shades all over Babylon  
Hailing me, a holy son of god  
As a monument of time  
And the goals that I achieved  
Make a sculpture of my mind
