## Elizabeth

## Kamelot

Mirror can you tell me How to stay forever young Let me know the secret I will hold my twisted tongue

Please protect my beauty Velvet skin so pure and white Hear my name resounding Like a hymn at dead of night

Once I struck a servant She's a virgin free from sin Drops of blood caressed me And refined my aging skin

Could this be the answer Uncorrupted carmine red Voices keep resounding In my dazed bewildered head

Have I found myself eternity Someone has heard my prayers Now I'll become divine

Have I found myself divinity
I'm no longer a slave
To the vicious hands of time

[Part II: Requiem Of The Innocent]

Mother can you hold me
One more time again
Whisper "I still love you? in my ear
Mother did you lie
Would you tell me why
There is something deeper that I fear

Justify the madness I portray
Daggers in the darkness find your way
When the moon is full and piercing bright
Drench me with your innocence tonight

Don't you want to die
Walk beside me evermore
Don't you feel alive
Like you've never felt before
Visions of the future
Unprofound and blurred
I have passed the point of no return

Justify the madness I portray
Let me keep my beauty one more day
When the moon is full and piercing bright
Drench me with your innocence tonight
Don't you want to die
Walk beside me evermore
Don't you feel alive

Like you've never felt before

Don't you want to die Souls transcending, silver shine Don't you feel alive Your blood preserves my place in time

[Part III: Fall From Grace]

Breathe in deep Smell these halls of hate Carve your name into these walls Before it is too late

Cold and twisted
They resisted
What was I to do
All I ever wanted was
A fraction of the truth

Walking in the shadows Of my blackened mind Lost inside this shallow Vanity of time

What if there's a God a hell and heaven
Fire is the torment I must face
Dying by the souls I have forsaken
No one's going to catch my fall from grace

[Bleed on me]
Watch me from your cage
As I rejoin my painful prime
[Suffer and exhale]
You and I are relics
We provoke and we recline

Walking in the shadows Of my blackened mind Angels crave my sorrow Sorrow they will find

What if there's a God a hell and heaven
Fire is the torment I must face
Dying by the souls I have forsaken
No one's going to catch my fall from grace
