

Helena's Theme

Kamelot

I remember a song
From long ago
Some of the pieces
They remind me of you
How could I know
You were to leave me
I thought that I was that melody
Oh so wrong
I'm but a whisper tonight

And if this is goodbye
I will leave
But I'll love you
Until the end

If the grace of God is real
And the word of Christ can heal
Bring their souls to heaven's light
Bless the unborn child tonight
