

# Karma

Kamelot

I am a king of honor  
Gold and glory  
But every king must also die  
Have I been just and righteous

What is glory  
I know I've torn and taken life  
And here I stand  
A small and simple man

Who will trade his karma for my kingdom  
A sacrificial right to render truth  
The fire in my soul rejects my wisdom  
'Cause all you do in life comes back to you

I am a king in crisis  
Counting minutes  
There is an ending to my reign  
My sins have come to face me

I can feel it  
That I have lived my life in vain  
And now I know I'll reap  
The seeds I've sown

Who will trade his karma for my kingdom  
A sacrificial right to render truth  
The fire in my soul rejects my wisdom  
'Cause all you do in life comes back to you

Am I mad  
I feel so void and cold  
Who can tell  
Who holds the stories untold

Tired and trembling  
I am descending  
Will I have to stay here  
And live this life again
