Moonlight

Kamelot

I have never craved the system's sympathy I get restless over pity smiles
Some precaution wouldn't harm my history
If I had the will to wait a little while

You cut the silence like a knife You know I can't repent for

Moonlight falling over me
Sail on where the shadows hide
Moonlight crawling down on me
Just like you could not compete with my pride

Compensation for a misconducted life Is it way too much to ask Hard to wake up With your heart and soul deprived When the morning comes The second to your last

You cut the silence like a knife At the edge of my last defenses You cut the silence like a knife You know I won't repent for all

Moonlight falling over me
Sail on where the shadows hide
Moonlight crawling down on me
Just like you could not compete with my pride

Shine on silver From the sky into the night Gaia shivers and I need your leading light

Moonlight falling over me
Sail on where the shadows hide
Moonlight crawling down on me
Just like you could not compete with my pride

Moonlight falling over me
Sail on where the shadows hide
Moonlight crawling down on me
Just like you could not compete with the pride
