

Song for Jolee

Kamelot

There's a shadow in the cold white light of day
I hope that some day you forgive and set me free

While standing in the pale white light Jolee is lost
I wrote a letter to the angels
to follow me into the light again

Underneath a velvet, letters of my heart
always will remaind me
that I'm hurt and sad

I'm sorry but I can't stop the bleeding
Crying and it's all because of you.
One look in the mirror to see
What's real and fake, Jolee.

There's a princess captured
in a wooden frame
I'll trade eternity for one last look at you

Not playing by the rules
We played the game of lost.
I'll keep on writing to the angels
so you're safe to the moment we meet again.

Underneath the make-up the scars that seal my heart,
Unspeakable reminder that I'm hurt and sad

I'm sorry but I can't stop the bleeding
Crying and it's all because of you.
One look in the mirror to see
What's real and fake, Jolee.

I'm sorry but I can't stop the bleeding
Crying and it's all because of you.
One look in the mirror to see
What's real and fake, Jolee.

one look in the mirror to see
what's real and fake Jolee
