

If my soul could revive  
From my carnal remains  
What does it matter to me  
If it all fades to black  
If I'm born once again  
Then no one really is free  
How could I be condemned  
For the things that I've done  
If my intentions were good  
I guess I'll never know  
Some things under the sun  
Can never be understood

How can we believe in heaven  
Human reason counters all  
Ideas of a soul society  
My life is just a fragment  
Of the universe and all  
There must be more than I can see

In the dark we're the same  
In the concept of time  
We're like a grain of sand  
And we strive for the flame  
As if death was our aim  
Cause we cannot understand

How I wish there was heaven  
All for one and one for all  
A flawless soul society  
Our lives are just a fragment  
Of the universe and all  
There may be more than we can see

How could I be condemned  
For the things that I've done  
If my intentions were good  
I guess I'll never know  
Some things under the sun  
Can never be understood

How can we believe in heaven  
All for one and one for all  
Ideas of a soul society  
Our lives are just a fragment  
Of the universe and all  
There may be more than we can see
