It ios always been rainy days..  
Im waiting for someone to come along  
Im so tired

I can let goof you..  
Youre in my whole subconscious  
Werent done  
I never had enough of the pain

Don't wanna cry no more  
But im still gonna wait for you  
Im totally distaructed by you..  
Can you hear me?

Pls hear me now..  
My lifes getting shorter  
Pls do something
