Trying to get this my need,
Let get it, I'm go get it,
I'm just try to get this faithful, try to get this faithful,
Try to get this my need,

Look good while I handle my business,

Baby need you, I wanna a new back, if you're calling me,..
If you ain't talking,..
It don't make a sense to me.

Window, shopping that's for the... I'm rockin' the furs,
Be money, champagne, drinks, that's a single word for me,
A girl got beetles, gotta get checks, love to... things gotta have the best,
So I'm making power moves 'cause that's the way it's gotta be.

[Chorus:]

This is for my huba... in the taste make us,
And all of my... paper,
This is for all of the fellows that someday cry,
But especially for my ladies who keep my name on their mind,
Come on let's just get it now, I'm just trying get this faithful,
Trying to get this my need,
Let get it, I'm go get it,
I'm just try to get this faithful, try to get this faithful,
Try to get this my need,
Let's get it, I'm a go get it.

I'm gonna get this money while you're sleeping,
I'm gonna take this paper while you're dreaming,
I'm gonna take this breath while you're slacking on,
And I'm gonna do it big while you're thinking small,
Time to get it, time to get it, time to get it, ohhh.

[Chorus:]

This is for my huba... in the taste make us,
And all of my... paper,
This is for all of the fellows that someday cry,
But especially for my ladies who keep my name on their mind,
Come on let's just get it now, I'm just trying get this faithful,
Trying to get this my need,
Let get it, I'm go get it,
I'm just try to get this faithful, try to get this faithful,
Try to get this my need,
Let's get it, I'm a go get it.
