

Love Is Blindness

Kane

Love is blindness
I don't want to see
Won't you wrap the night
Around me
Take my heart
It's is blindness
In a parked car
In a crowded street
You see your love
Made complete
Thread is ripping
The knot is slipping
Love is blindness
Love is clockworks
And cold steel
Fingers to numb to feel
Squeeze the handle
Blow out the candle
Love is blindness
Love is blindness
I don't want to see
Won't you wrap the night
Around me
Take my heart
It's blindness
A little death
Without mourning
No call
And no warning
Baby a dangerous idea
That almost makes sense
Love is drowning
In a deep well
All the secrets
And no one to tell
Take the money
Honey
It's blindness
Love is blindness
I don't want to see
Won't you wrap the night
Around me
Take my heart
It's... blindness
