

Moment Of Truth

Kane

Love is cruel
Love is strange
Love spares no one in the end

But I can't wait, for a moment of truth in my live
For a moment of truth when everything's alright

Well I prayed for better days
Oh I've prayed 'till the end of time
And it's easy to run away
But I stayed 'till the end of time
'cuz you don't ever hide for love...no
You face it again.....mmmm

And I will always pray
For a moment of truth in her eyes
For a moment of truth when everything's just fine...no...mmm

And I wait for better days
..yes I wait 'till the end of time..
and it's easy to run away
But I'll wait till the end of time...ooh

And I'd give up everything 'cuz I prayed 'till the end of time
And I'll give her everything so I'll wait 'till the end of time
'cuz you don't ever hide for love
...you don't ever hide for love...you don't ever run from love
You face it again...nono...
For the moment of truth in your smile
For the moment of truth makes everything worth while...
Hey hey...no no no yeah...
