

# Shot Of A Gun

Kane

Tell me how you feel  
Did the heartache ever heal?  
Is it leaving me behind?  
You must remember this  
There's nothing left to miss  
If you keep it locked inside

Walk in the sunlight tonight  
Pretend that it's all right tonight  
Walk in the sunlight  
It feels like a shot of a gun  
You get knocked down  
But you, you walk away from it  
It feels like a shot of a gun

Remember long ago  
All the things we didn't know  
But you were feeling so alive  
It seems like all these days  
Gone and vanished in the haze  
But I'm still here tonight

Walk in the sunlight tonight  
Tell 'em that it's all right tonight  
Walk in the sunlight

It feels like a shot of a gun  
You get knocked down  
But you, you walk away from it  
It feels like a shot of a gun  
Now heads down  
You get away with it  
It feels like a shot of a gun

You walk away from it  
You walk away from it

It feels like a shot of a gun  
You get knocked down  
But you, you walk away  
It feels like a shot of a gun  
Now heads down  
You get away with it  
It feels like a shot of a gun  
You walk away from it  
It feels like a shot of a gun
