

Waiting, Waiting

Kane

Waiting, waiting, you keep me waiting
Clock turns back, listen to the beat of my heart
Every second seems to chain me, babe
Listen to the beat of my heart

Oh, my love, I know you hate me
Oh, my love
Oh, yeah

Waiting, waiting, you got me waiting
Clock turns back, listen to the beat of my heart
Every second seems to change me, babe
Listen to the beat of my heart

Oh my God, I know you hate me
Won't you listen to the beat of my heart
Don't care what you say
Don't care what you say

Every time I lose my senses
Every time you seem to want me more
Oh, take the best of me
But give me what I need

Waiting, waiting, you've got me waiting
Clock turns back, listen to the beat of my heart
Every second seems to hit me, baby
Listen to the beat of my heart

Oh my God, I know you hate me
I know you hate me
I don't care, don't care what you say

Every time I lose my senses
Every time you seem to want me more
Oh, take the best of me
But give me what I need

Don't care what you say
Don't care what you say
Don't care what you say

Oh baby, oh, take the best of me
But give me what I need
Yeah, yeah, yeah, oh yeah

So every time I lose my senses
Every time you seem to want me more
Oh, take the best of me
But give me what I got

Waiting
Waiting, waiting
Waiting, waiting
Waiting, waiting
