When we crawl, when we step, when we fall in love.

I know there's nothing more that we can want,

But to crawl, but to step, but to fall as one, All +All Togethe ${\tt r.}$

Dance together, laugh together, unstoppable when we are togethe r.

Friends so young we could'a bathed together.

We play out, lay top and tail together.

Riding a bike in the ends, We took Shayne's car for a day, car came back, no plates

We could kick back in the kitchen, thinkin of ways we could mak e the killin'.

Up on a stage at Boys love girls that bust my lil' riddim'.

We were just friends to the death, Share 1 pound, 1 pad, 1 pen. Pick me up in a stolen, this was the friendship that couldn't b e broken.

When we crawl, when we step, when we fall in love.

I know there's nothing more that we can want,

But to crawl, but to step, but to fall as one, All +All Togethe ${\tt r.}$

My friends don't call me, My friends care

Me and my girl keep beefin', I think were almost there

Till' the end, been a good innings, I wanna be alone, this worl d I can't live in.

Sofa sitting on my own, silance staring at my mobile phone.

Should of pressed his name but I don't, or when it says connecting I'm froze.

And were suppose to all be boys, I can't believe it's come to t his point. Destroyed

This must get better cause' I'm oh so fed up, we should be all for 1, all together.

We were the 3 Musketeers but better, where did we mess up? Where did it all go wrong, every other week it's the same old s ong.

Gone are the days when we rave just cause', chillin', jokes, la ughs, bond.

But now it's just awekward, keep looking back but I wanna' move forward

Now I move cautious, this is just foolish, we were happy then, this is bad fortune.

When we crawl, when we step, when we fall in love.

I know there's nothing more that we can want,

But to crawl, but to step, but to fall as one, All +All Togethe
