

# London Town

Kano

They call him...  
They call... call him...  
They call him...

Yo yo yo  
It's still K A niggas, straight cave niggas  
Spray like cage  
And you'll make great figures  
You ain't even fuckin with my mix tape niggas  
Like jermone thomas with the bave in aimes  
Like beckham with the ladies, playin till I get mine  
Wife and kids like damen waynes  
K behave nah they love me  
And at the shows they scream  
Fuck me fuck me  
Then I say laides make some noise  
Want niggas like baby boy, but take the lady  
Am lazy with the flow, latest with the clothes  
I ain't Jay Z with the doe, but am bathin' on the road  
Niggas know what am like, flow how I find  
Punch line old school, roll with my mic  
Spray like a cobra, and I'll make niggas wall up dem foot and jump like a so  
ldier

Am from London, London, London town  
You can toughen up or get thrown around  
You can get 1 3 5 a ounce  
Lemme tell you how it's goin down  
Niggas buy shots like everyday  
Tryna make money in everyway  
In London, London, London town  
We hustle cause the struggle ain't over now

It sounds like grime, but a lil slower  
Am a lot wiser, a lil older  
Still street wise, C I T Y You can see why  
These guys on street rhyme recite these rhymes  
I act like am never sobre, I never lie low  
But am out the bar everytime I rave it ryo  
Fuck that bullshit, and yes am on the dance floor  
Fuck that cool shit... oooo  
Dey so tugged out and dey dance  
Side to side yeah that's the champagne dance  
Let me show you what my lifes like  
Ravin on for five nights  
Wakin up to reciepts  
That make you doubt your eyesight  
You might think am sweet likes roses  
But am the rest of the rose  
I've been getting myself in drama  
Ever since them esqi bows  
Flows I mess with those  
Shows am blessin those, road am less involved  
Though I geuss you know  
Hoe's am F'in those,  
I don't really rude boy, don't be silly  
Put sum rubber up on the willy

Back cause, po poke said am in the clear  
So put some don fing araa eyy

Am from London, London, London town  
You can toughen up or get thrown around  
You can get 1 3 5 a ounce  
Lemme tell you how it's goin down  
Niggas buy shots like everyday  
Tryna make money in everyway  
In London, London, London town  
We hustle cause the struggle ain't over now

I said take a look around, it's run down  
You see them little youths got guns  
Welcome to London  
Welcome to London town and  
You know how we get down and  
Niggas from London we don't fuck around  
Welcome to London town and  
You know how we get down and  
Niggas from London we don't fuck around

eyy nigga nigga

that's mah mutha fuckin' name

Check Check Check Check  
Yo man you thought was done with them  
Check out my old school flow type  
Gimme tha K  
Gimme that A  
Gimme that N... O  
Gimme the drums, gimme the bass  
Gimme that track broo  
Gimme tha K  
Gimme that A  
Gimme that N... O  
Gimme the drums, gimme the bass  
Bass... look... look  
It's K to the A N to the O  
Straight to the cave makin tha doe  
Kano's on the microphone,  
Say my name like mike jones  
Don't know about you but I know  
That I've blown like muscles in the west  
Topless like ladies breasts  
And now am killin them  
Every flows so brilliant  
But about first act on the stage  
Am back in a rave  
Am back in the studio, back in the days  
A slap in the face, just for the press  
Am actually aged, 20 years old  
An am fuckin' amazin'  
So DJ raise it  
It's K A...
