

Geodesic Dome

Kansas

I wanna live in a geodesic dome
I wanna live
I wanna live in a geodesic dome
I wanna live in a geodesic dome

I wanna make it my home

I wanna live in an igloo up in Nome
I wanna live
I wanna live in an igloo up in Nome
I wanna live in an igloo up in Nome

I wanna make it my home

It's cold outside but I don't care
I'll stand outside with my frozen hair

I wanna live in a geodesic dome
I wanna live
I wanna live in a geodesic dome
I wanna live in a geodesic dome
I wanna make it my home (yes sir!)
I wanna make it my home
I wanna make it my home
