

Icarus - Borne On Wings of Steel

Kansas

Early in the morning sunlight
Soaring on the wings of dawn
Here I'll live and die with my wings in the sky
And I won't come down no more

Higher than a bird I'm flying
Crimson skies of ice and fire
Borne on wings of steel I have so much to feel
And I won't come down no more

Sail on, sail on, I will rise each day to meet the dawn
So high, so high
I've climbed the mountains of the sky
Without my wings you know I'd surely die
I found my freedom flyin' high
I've climbed the mountains of the sky

Floating on a cloud of amber
Searching for the rainbow's end
Earth so far below me,
I'm here alone, free
I can't come down no more
