## **Incident On a Bridge**

It began in the underground, with visions of light and sound The music revealing the deepest passion Around us a river raged, still I knew that the scene was staged Awaiting the consequence, I don't believe in accidents

It's all too real, all these things we feel As the years go by, things intensify And I know, for each life there is a reason And I know, for each time there is a season The bridge leads on to a brighter dawn It's waiting for me

We were tied by a bond of fate, in our hearts we could feel the weight Carried along by the winds of fortune The outcome was never known and our purpose was never shown 'Til everything fell in place, the words on the wall we could not erase

It's all too real, all these things we feel As the years go by, things intensify And I know, for each life there is a reason And I know, for each time there is a season Now the bridge leads on to a brighter dawn It's waiting for me

Each piece is arranged, the puzzle's complete Victory's taste is so bittersweet No regrets for the time that was lost For it all comes out in the end

And the prize is worth all the tears that it cost For the stairway you ascend Drawing us on, unto the gate It's where we belong

The world has a lot to give but it's worthless if you don't live And life only comes from the one who made it When I look back, I see the plan when I retrace the race we ran The course was so clear and true Each bridge that we crossed led me straight to you

It's all too real, all these things we feel As the years go by, things intensify And I know, for each life there is a reason And I know, for each time there is a season The bridge leads on to a brighter dawn It's waiting for me

Always waiting for me Oh I know, I know, I know, I know I know, I know, I know, I know
