

In the time we spent together  
Many words have passed between  
And the feelings that we shared  
are all behind us now  
'Cause a change has come upon me  
And I'm surly not the same  
There is so much more than  
what we feel and live every day

Relentless, unchanging  
Though the world is still before me now  
I'm seeing forever  
I will keep my heart and mind with you  
So joyously I'm waiting for the day

In a single timeless moment  
When the old was cast away  
The new was born into a world of simple joy  
And my life is still for living  
Though it's seen through different eyes  
And the knowledge of the truth's  
A burden easy to bear

It's drawing so near  
It's shrouded in mystery  
Histories fall, the end of an age  
The feeling we're waiting for, hoping for  
Now, the time to come alive  
The end to which we strive  
Will soon arrive

Now the gift is truly given  
If you only would receive  
For you're standing in the crossroads  
And you can't turn back  
Though we can't conceive forever  
And it's sometimes hard to care  
Our lives do not compare  
to what's awaiting us there
