

Bad News

Kanye West

Didn't you know I was waiting on you?
Waiting on a dream that'll never come true
Didn't you know I was waiting on you?
My face turned to stone when I heard the news

When you decide to break the rules
'Cause I just heard some real bad news

People will talk like it's old news
I played it off and act like I already knew
Let me ask you how long have you known too?
You played it off and act like he's brand new

When you decide to break the rules
'Cause I just heard some real bad news
Real bad news, real bad news, real bad news

Oh, you just gonna keep another, no you won't
Oh, you just gonna keep it like you never knew
Oh, you just gonna keep another love for you
Oh, you just gonna keep it like you never knew

While I'm waiting on a dream that'll never come true
Oh, you just gonna keep it like you never knew
My face turned to stone when I heard the news
