

I'm in It

Kanye West

Damn your lips very soft
As I turn my Blackberry off
And I turn your bath water on
And you turn off your iPhone
Careless whispers, eye fucking, biting ass
Neck, ears, hair, legs, eating ass
Your pussy's too good, I need to crash
Your titties, let 'em out, free at last
Thank God almighty, they free at last
We was up at the party but we was leavin' fast
Had to stop at 7-Eleven like I needed gas
I'm lyin', I needed condoms, don't look through the glass
Chasin' love, all the bittersweet hours lost
Eatin' Asian pussy, all I need was sweet and sour sauce
Tell your boss you need an extra hour off
Get you super wet after we turn the shower off

That's all dem can do (Say wah, say wah)
That's all dem can do
We deal with action ting
Just a badman ting, a' dat man do

Action thing yo a badman thing

I'm a badman if you know say
Disrespect we no tek, no way Jose
Try that 'pon February the 30th
That's right, couldn't try that no day
When we roll 'round 'pon your block
Nuh badda fi say we won't spray, like a aerosol can
When we roll 'round 'pon your block
Nuh badda fi say we won't spray, like an aerosol can
We agon' smile 'pon court day
Because we beat murder charge like O.J.

That's right, I'm in it
(Should've known I would fall)
I'm in it
(Stepping on cracks on the floor)
That's right
(And boys at your door)
That's right, I'm in it
(Well, you need to fight for your own)
That's right, I'm in it
(Then don't let me at your table)
I'm in it
(If you just gonna lay there)
Fist jumps in the air, you love flame wars
I'll be gone long, grab that ass, shed your clothes

Uh, picked up where we left off
Uh, I need you home when I get off
Uh, you know I need that wet mouth
Uh, I know you need that reptile
Uh, she cut from a different textile
Uh, she love different kinds of sex now
Uh, black girl sippin' white wine

Put my fist in her like a civil rights sign
And grabbed it with a slight grind
And held it 'til the right time
Then she came like AAAAAHHH!

That's why I'm in it and I can't get out
(That's all dem can do (say wah, say wah?))
That's why I'm in it and I can't get out
(That's all dem can do)
That's all dem can do
We deal with action ting
Just a badman thing, a' dat man do
I'll be gone long, grab that...

Say you long for me, for you
Lay it off with all your rules
Star fucker
Star fucker
Star fucker
Who, where?

Time to take it too far now
Uh, Michael Douglas out the car now
Uh, got the kids-and-the-wife life
Uh, but can't wake up from the nightlife
Uh, I'm so scared of my demons
Uh, I go to sleep with a nightlight
Uh, my mind move like a Tron bike
Uh, pop a wheelie on the Zeitgeist
Uh, I'm finna start a new movement
Uh, being led by the drums
Uh, I'm a rap-lic priest
Uh, getting head by the nuns
Uh, they don't play what I'm playin'
Uh, they don't see what I'm sayin'
Uh, they be balling in the D-League
Uh, I be speaking Swaghili
