I'll be late for that, baby I'll wait for that
If you had a taste of that, you'd probably pay for that
I'm comin in when I feel like
So turn this motherfucker up only if it feels right
I'll be late for that, I can't wait for that
I think I was made for that
So I'm comin in when I feel like
So turn this muh'fucker up only if it feels right

Stop all your blood clot cryin, I was flyin' Made it to school with barely 'nuff time to sign in Yeah I hear the alarm, yeah I hear ya mom Yeah yeah I don't wan' be broke when I'm 31 They said the best classes go to the fastest Sorry Mr. West there's no good classes, and that's what yo' ass get Not even electives? Not even pre-requits? You mean I missed my major by a couple of seconds? Now I'm in the shop class or the basket weavin With all the rest of the muh'fuckers underachievin Man, this is an insult I went to junior high with all of them and they been slow If I can catch the beat then slow down the tempo Just throw this at the end if I'm too late for the intro Will I make it from the student loans to a Benz-o? Like old folks pissin, I guess it all depends, oh, oh Stop your cryin baby

I'll be late for that, baby I'll wait for that
If you had a taste of that, you'd probably pay for that
I'm comin in when I feel like
So turn this motherfucker up only if it feels right
I'll be late for that, I can't wait for that
I think I was made for that
So I'm comin in when I feel like
So turn this muh'fucker up only if it feels right

You know when you be late you miss all the lights That's right (that's right) that's right (that's right) And when you get back she gon' start up a fight That night (that night) that night Baby it's too late for that, lately I've been takin it slow Try and make it to the party 'fore the guest list close With the freshest hoes, the professors know We about to get real unprofessional Like them eskimos, what would you do for a Klondike? Or two dykes that look Christina Milian like Hmmm, I'll be on time for that I ain't thought of no line that could rhyme with that Yo, I'll be there in five minutes, five hours later I'll be there in five minutes, go 'head ride with it I'm so live with it, look how I did it Been bullshittin but I finally arrived with it I know it's late and I took all year but You can stop complainin cause I'm finally here, yeah
