

# Love Lockdown

Kanye West

I'm not lovin' you the way I wanted to  
What I had to do, had to run from you  
I'm in love with you but the vibe is wrong  
And that haunted me all the way home

So you never know, never never know  
Never know enough, 'til it's over, love  
'Til we lose control, system overload  
Screamin', "No, no, no, n-no!?"

I'm not lovin' you the way I wanted to  
See I wanna move but can't escape from you  
So I keep it low, keep a secret code  
So everybody else don't have to know

So keep your love locked down, your love locked down  
Keepin' your love locked down, your love locked down  
I keep your love locked down, your love locked down  
I keep your love locked down, you lose

I'm not lovin' you the way I wanted to  
I can't keep my cool, so I keep it true  
I got somethin' to lose, so I gotta move  
I can't keep myself and still keep you too

So I keep in mind when I'm on my own  
Somewhere far from home, in the danger zone  
How many times did I tell ya ?for it finally got through?  
You lose, you lose

I'm not lovin' you the way I wanted to  
See I had to go, see I had to move  
No more wastin' time, you can't wait for life  
We're just racin? time, where's the finish line?

So keep your love locked down, your love locked down  
Keepin' your love locked down, your love locked down  
I keep your love locked down, your love locked down  
I keep your love locked down, you lose

I'm not lovin' you the way I wanted to  
I bet no one knew, I got no one new  
Know I said I'm through, but got love for you  
But I'm not lovin' you the way I wanted to

Gotta keep it goin', keep the lovin' goin'  
Keep it on a roll, only God knows  
If I be with you, baby I'm confused  
You choose, you choose

I'm not lovin' you the way I wanted to  
Where I wanna go, I don't need you  
I've been down this road, too many times before  
I'm not lovin' you the way I wanted to

So keep your love locked down, your love locked down  
Keepin' your love locked down, your love locked down

I keep your love locked down, your love locked down  
I keep your love locked down, you lose  
You lose, you lose, you lose, you lose
