

See You in My Nightmares

Kanye West

I'm cold
(Yeah)
I'm cold
(Yeah)
I'm cold
(Yeah, yeah)

I got the right to put up a fight
But not quite 'cause you cut off my light
But my sight is better tonight
And I might see you in my nightmare

Well how did you get there?
'Cause we were once a fairytale
But this is farewell, yeah

I got my life and it's my only one
I got the night, I'm running from the sun
So goodnight, I made it out the door
Door, door, door, door

After tonight, there will be no return
After tonight, I'm taking off on the road
I'm taking off on the road
And that you know

That you know
Tell everybody that you know
That I don't love you no more
And that's one thing that you know, that you know

Okay, I'm back up on my grind
You do you and I'm just gon' do mine
You do you, 'cause I'm just gon' be fine
Okay, I got you out my mind

And the night is young, the drinks is cold
The stars is out, I'm ready to go
You always thought I was always wrong
Well, now you know

Tell everybody, everybody that you know
Tell everybody that you know
That I don't love you no more
And that's one thing that you know, that you know

I got the right to put up a fight
But not quite 'cause you cut off my light
But my sight is better tonight
And I might see you in my nightmare

Oh but how did you get there?
'Cause we was once a fairytale
But this is farewell, yeah

Baby girl I'm finished
I thought we were committed

I thought we were cemented
I really thought we meant it

But now we just repenting
And now we just resenting
The clouds is in my vision
Look how high that I be getting

And it's all because of you, girl we through
You think your shit don't stink but you are Mrs. P-U
And I don't see you with me no more
Now tell everybody that you know, that you know!

That you know
Tell everybody that you know
That I don't love you no more
And that's one thing that you know, that you know

That you know
Tell everybody that you know
That I don't love you no more
And that's one thing that you know
That you know
