

Street Lights

Kanye West

Let me know
Do I still got time to grow
Things ain't always set in stone
That be known let me know
Let me

Seems like, street lights, glowin
Happen to be just like moments, passin
In front of me so I hopped in, the cab and
I paid my fare see I know my destination
But I'm just not there

All the street lights, glowin'
Happen to be just like moments, passin'
In front of me so I hopped in, the cab and
I paid my fare see I know my destination

But I'm just not there
In the streets
In the, streets
I'm just not there in the streets
I'm just not there
Life's just not fair

Seems like, street lights, glowin
Happen to be just like moments, passin
In front of me so I hopped in, the cab and
I paid my fare see I know my destination
But I'm just not there

All the street lights, glowin
Happen to be just like moments, passin
In front of me so I hopped in, the cab and
I paid my fare see I know my destination
But I'm just not there

All the street lights, glowin
Happen to be just like moments, passin
In front of me so I hopped in, the cab and
I paid my fare see I know my destination

But I'm just not there
In the streets
In the, streets
I'm just not there in the streets
I'm just not there
Life's just not fair
Life's just not fair
