

# Ultralight Beam

Kanye West

(Yes, God)  
We don't want no devils in the house, God (Yes, Lord)  
We want the lord (Yes, Jesus)  
And that's it (Yes, God)  
Hallej- hand over Satan (Yes, Jesus)  
Jesus praise the Lord (Yes God)  
Hallelujah, God (Yes, God)  
We don't want no devils in the house, God (Yes, Lord)  
We want the lord (Yes, Jesus)  
And that's it (Yes, God)  
Hallej- hand over Satan (Yes, Jesus)  
Jesus praise the Lord (Yes, God)

I'm tryna keep my faith  
We on an ultralight beam  
We on an ultralight beam  
This is a God dream  
This is a God dream  
This is everything  
This is everything  
Deliver us serenity  
Deliver us peace  
Deliver us loving  
We know we need it  
You know we need it  
You know we need it  
That's why we need you now, oh, I  
Pray for Paris  
Pray for the parents  
This is a God dream  
This is a God dream  
This is a God dream  
We on an ultralight beam  
We on an ultralight beam  
This is a God dream  
This is a God dream  
This is everything  
Everything (Thing, thing, thing)

I'm tryna keep my faith  
But I'm looking for more  
Somewhere I can feel safe  
And end my holy war  
I'm tryna keep my faith

So why send depression not blessings?  
Why, oh why'd you do me wrong? (More)  
You persecute the weak  
Because it makes you feel so strong  
(To save) Don't have much strength to fight  
So I look to the light  
(Lord) To make these wrongs turn right  
Head up high, I look to the light  
Hey, cause I know that you'll make everything alright  
And I know that you'll take good care of your child  
Oh, no longer am afraid of the night  
Cause I, I look to the light

When they come for you, I will shield your name  
I will field their questions, I will feel your pain  
They don't know, they don't  
They don't know, they don't know  
Foot on the Devil's neck 'til they drifted Pangaea  
I'm moving all my family from Chatham to Zambia  
Treat the demons just like Pam  
I mean I fuck with your friends, but damn, Gina  
I been this way since Arthur was anteater  
Now they wanna hit me with the woo wap the bam  
Tryna snap photos of familia  
My daughter look just like Sia, you can't see her  
You can feel the lyrics and spirit coming in braille  
Tubman of the underground, come and follow the trail  
I made Sunday Candy, I'm never going to hell  
I met Kanye West, I'm never going to fail  
He said let's do a good ass job with Chance three  
I hear you gotta sell it to snatch the Grammy  
Let's make it so free and the bars so hard  
That there ain't one gosh darn part you can't tweet  
This is my part, nobody else speak  
This is my part, nobody else speak  
This little light of mine  
Glory be to God, yeah  
I'mma make sure that they go where they can't go  
If they don't wanna ride I'mma still give them raincoats  
Know what God said when he made the first rainbow  
Just throw this at the end if I'm too late for the intro  
Ugh, I'm just having fun with it  
You know that a nigga was lost  
I laugh in my head  
Cause I bet that my ex looking back like a pillar of salt  
Ugh, cause they'll flip the script on your ass like Wesley and Spike  
You cannot mess with the light  
Look at lil Chano from 79

We on an ultralight beam  
We on an ultralight beam  
This is a God dream  
This is a God dream  
This is everything  
Everything

(Yes, God  
Hallelujah)  
I'm tryna keep my faith  
(Yes, Jesus)  
But I'm looking for more  
Somewhere I can feel safe  
And end my holy war

Father, this prayer is for everyone that feels they're not good enough. This  
prayer's for everybody that feels like they're too messed up. For everyone  
that feels they've said "I'm sorry" too many times. You can never go too far  
when you can't come back home again. That's why I need...  
Faith, more, safe, war
