

Here I Am

Kara

Here I am, Lord, on my knees
Hear my cry, Lord
I desperately need Your peace
Let me rest in the safety of
The shadow of Your wings
Jesus only You can set me free
Here I am, Lord, on my knees
Hear my cry, Lord
I desperately need Your peace
Let me rest in the safety of
The shadow of Your wings
Oh, Jesus only You can set me free
Holy Holy merciful and mighty
You do not spare one good thing
From those who seek after truth
How could I not worship You?
Here I am, Lord, on my knees
Hear my cry, Lord
I desperately need Your peace
Let me rest in the safety of
The shadow of Your wings
Jesus only You can set me free
Yeah, yeah, yeah
Yeah, yeah, yeah
I'm ready
Set me free
Set me free
Here I am, Lord, on my knees
Oh, hear my cry, Lord
I desperately need Your peace
Here I am, Lord, on my knees
Oh, hear my cry, Lord
