

Wash Over Me

Kara

Wash over me
All over me
Come set me free
Hear my plea
Wash over me
Wash over me
All over me
Come set me free
Hear my plea
Wash over me
Jesus, I need Your cleansing
Water to flood my soul
Pour down Your rain of healing
Til I overflow
Wash over me
All over me
Come set me free
Hear my plea
Wash over me
Jesus, I need Your cleansing
Power to flood my soul
Pour down Your truth upon me
Drench me to the bone
Wash over me
All over me
Come set me free
Hear my plea
Wash over me
Wash over me
Yeah, yeah
All over me
Come set me free
Hear my plea
Wash over me
Over me
Over me
Over me
Wash over me
Over me
Over me
Wash over me
Over me
Over me
Wash over me
Over me
Over me
Over me
Over me
Over me
Wash over me
Over me
Over me
Wash over me
Over me
Over me
