Kardinal Offishall

Don't miss the beat
Aiyo my eastside people let me hear yo!
I want to hear you yes (2x)
Aiyo my westside people let me hear yo!
I want to hear you yes (2x)
Yo we in a rush

Yo, pass me the keys to the truck so I can start my Husslin'
(Yo we in a rush)
Turn up the speakers so my words shine through
My nigga them street cats will hussle you
YO, we gotta live positive, or positive
Action is your prerogative
Clips be sparklin in the parkin lot while time gets dark
We celebratin with the crew
My nigga what else could we do?
Hand to hand passin' contraband
YO, runnin' from Babylon
YO, making the money 'cause, YO, that's the solution
Yo they won't hire my brothers to work a 9-5
So instead of suicide, we Husslin to stay alive
My peeps don't want to live off of them government checks
So we take the STREET, we gotta BEAT
And make em move to the BEAT
Your gunfinga in the air, for prisoners on lock
Your gunfinga in the air, for revolution pon cock
Gettin paid out the books this year
We want to cocoa butter in large amounts (that's cream)
No doubt, cause we be

'Nuff drama she wants her new Guess vest
She's husslin' me to impress
She want child support
But my seed has never ever seen his daddy before
She said if I don't go the loot
She'll take me to court
Tell the police on the side I'm makin' fake passports
Aiyo who's husslin' who?
The politicians or the criminals
Herb hustlers or smugglers, record labels or rap
Yo can I get a soul clap?

Words are infinite
Rhymes are untouchable, in the skies are the limit
Yo, some people husslin' because then can't make rent
They 9-5 makin' them 95 dollas and 10 cents
