

Can't Help Falling In Love

Karel Zich

Wise men say
only fools rush in
but I can't help
falling in love with you.

Shall I stay
would it be a sin
if I can't help
falling in love with you.

Like a river flows
surely to the sea
darling so it goes
some things are meant to be.

Take my hand
take my whole life too
for I can't help
falling in love with you.

Like a river flows
surely to the sea
darling so it goes
some things are meant to be.

Take my hand
take my whole life too
for I can't help
falling in love with you
for I can't help
falling in love with you.
