

## Can't Help Falling In Love

Karel Zich

Wise men say  
only fools rush in  
but I can't help  
falling in love with you.

Shall I stay  
would it be a sin  
if I can't help  
falling in love with you.

Like a river flows  
surely to the sea  
darling so it goes  
some things are meant to be.

Take my hand  
take my whole life too  
for I can't help  
falling in love with you.

Like a river flows  
surely to the sea  
darling so it goes  
some things are meant to be.

Take my hand  
take my whole life too  
for I can't help  
falling in love with you  
for I can't help  
falling in love with you.
