

Darlin' Here Am I

Karel Zich

All my recordings
Among the other things
Can be found in your apartment
Please don't throw them out
You can't live without
Findin' your future at the end

Well, darlin' here am I
Don't you close your door
I couldn't break the tie
That was made before
So we can live or die
That's what life is for
And somewhere we can dance
To the old rock'n'roll

Well, darlin' here am I
Ready for the show
Let's give me more try
Don't you move so slow
And never ask me why
I'm so sure to know
My collection of oldies
Has a lotta soul

Elvis was my King
So I tried to sing
The way that he did: so sweet and fast
Now don't throw me out
We can't live without
Findin' our future in the past

Well, darlin' here am I
Don't you close your door
I couldn't break the tie
That was made before
So we can live or die
That's what life is for
And somewhere we can dance
To the old rock'n'roll

Well, darlin' here am I
Ready for the show
Let's leave me one more try
Don't you move so slow
And never ask me why
I'm so sure to know
My collection of oldies
Has a lotta soul
