

Lost In Love

Karel Zich

I realize the best part of love is the thinnest slice
And it don't count for much
But I'm not letting go
But I believe here's still much to believe in
So lift your eyes if you feel you can
Reach for a star and I'll show you a plan
I figured it out
What I needed was someone to show me

You know you can't fool me
I've been loving you too long
It started so easy
You want to carry on (carry on)

Lost in love and I don't know much
Was I thinking aloud
Fell out of touch
But I'm back on my feet
And eager to be what you wanted
So lift your eyes if you feel you can
Reach for a star and I'll show you a plan
I figured it out
What I needed was someone to show me

You know you can't fool me
I've been loving you too long
It started so easy
You want to carry on (carry on)

Lost in love and I don't know much
Was I thinking aloud
Fell out of touch
But I'm back on my feet
And eager to be what you wanted

You know you can't fool me
I've been loving you too long
It started so easy
You want to carry on

Lost in love and I don't know much
Was I thinking aloud
Fell out of touch
But I'm back on my feet
Eager to be what you wanted

Lost in love and I don't know much
Was I thinking aloud
Fell out of touch
But I'm back on my feet
And eager to be what you wanted
So lift your eyes if you feel you can
Reach for a star and I'll show you a plan
I figured it out
What I needed was someone to show me

Now I'm lost, I'm lost in love, lost in love,

Lost in love,lost in love,lost in love,
I'm lost in love,lost in love,lost in love.
