

Mirror Mirror

Karelia

I've sensed the end for several weeks
You're right: you'd better leave me now
Be sure I'll call you a bitch
As soon as you'll close the door
My lil' honey

Mirror, mirror on the wall
Mirror, mirror tell me how
Could I get better and reach full growth
How could I get through the thorns
Mirror, mirror on the wall
Have you ever seen a pawn?
Full of regrets, pain n' groans
Keepin' all for his very own
My friends will prove me right, and yours
Will always be siding with you
Be sure you'll shake your hips with lust
When I'll be rolling about in dirt

Mirror, mirror on the wall
Did I deserve such a whore?
Would I resolve the doubt with a... BANG
