

The Infinite Duration

Karelia

Do you remember, remember that night?
Oh, when I held you in my heart so tight?
Oh, your slender neck
Was so gentle and light.
I'd never seen you so graceful or calm.
It's those sort of moments I'd love to embalm.
Oh, you're mine
Forever more.
Oh, you're mine forever more.
Yes you're mine
Forever more.

May I remind you how still you lay?
You sounded so peaceful with nothing to say.
And as I kissed you your lips grew cold,
As cool as an ageless beauty of old.
Oh, you're mine forever more.
Oh, you're mine forever more.
Yes you're mine forever more...
