

Only Call On Jesus

Karen Clark Sheard

I only call on Jesus
He carries me through my worst storm
I only count on Jesus
I'm leaning on His everlasting arm
I have a testimony bout Jesus
He carries me through my worst storm
I only count on Jesus
I'm leaning on His everlasting arm

Let me tell you that I'm leaning
And I'm trusting him
I'll sit and I'll wait
The Lord he's right there for me
Never too late
Boy when it feels like I'm level
Level to the ground
He lifts me right up all my blessings come down
That's why I call him

Yes he's a way maker when I'm sick I can fall
On my knees and I'll pray
The Lord turned my midnights
To a brighter day
Oh it's a blessed assurance
In You when I call
Wonderful counselor
My all and all

All right
Somebody may be going through something out there
You see in order for you to have a testimony
You gotta go through some tests and some trials
To make you strong

[Chorus]
