

# Hello Tomorrow

Karen O

Whenever I wake up  
Try and take the shape off  
Turn into the whole wide world I made up  
Off!  
The lights are golden, off!  
Go where the lights turn dark  
Go where the lights turn dark  
The lights were golden, off!

Whenever I wake up  
Try and take the shape off  
Turn into the whole wide world I made up...
