

# Singalong

Karen O

Almost gone  
Can't be long  
Till I knew, I knew  
Lose control, I don't know  
But I do, I do

Sing along, sing it anyway  
All alone on your way home  
You could be wrong, sing it anyway  
Sing along your favorite song  
It's an old favorite melody  
It's your own, don't be long

You could be wrong, sing it anyway  
Lose control  
I don't know  
But I do  
I do  
I do  
I do  
I do  
I do
