Oh, love, love is strange
Oh-oh
When there's beauty on the inside
The outside there's nothing to ch-ch-ch-change
Oh after I know, after it I want this song
To love with someone watching over me
Rain or storm, the only place
I wanna be is close to the heart of everything I even need
Life is not frightening when you are with me
Oh cause love is not always what you think it'll be

Love, oh love is strange, oh-oh-oh When there's beauty on the inside The outside there's nothing to ch-ch-change

Strange love, strange love for one-another Strange love, strange love for one-another Can't judge a book by its cover Strange love, strange love for one-another
