

## Find You on My Knees

Kari Jobe

Troubles chasing me again,  
Breaking down my best defence,  
I'm looking, God, I'm looking for you  
Weary just won't let me rest and fear is filling up my head.  
I'm longing, God I'm longing for you

But I will find you in the place I'm in, find you when I'm at my end,  
Find you when there's nothing left of me to offer you except for brokenness.  
You lift me up, you'll never leave me thirsty,  
When I am weak, when I am lost and searching  
I'll find you on my knees.

So what if sorrow shakes my faith,  
What if heartache still remains,  
I'll trust you, my god I'll trust you.  
'Cause You are faithful and

I will find you in the place I'm in, find you when I'm at my end,  
Find you when there's nothing left of me to offer you except for brokenness.  
You lift me up, you'll never leave me thirsty,  
When I am weak, when I am lost and searching  
I'll find you on my knees, my knees.

When my hope is gone, when the fear is strong  
When the pain is real, when it's hard to heal  
When my faith is shaken and my heart is broken and my joy is stolen, God I know that

You lift me up, you'll never leave me searching,

Find you in the place I'm in, find you when I'm at my end,  
Find you when there's nothing left of me to offer you except for brokenness.  
You lift me up, you'll never leave me thirsty,  
When I am weak, when I am lost and searching  
I'll find you on my knees.
