Forever

The moon and stars they wept The morning sun was dead The Savior of the world was fallen His body on the cross His blood poured out for us The weight of every curse upon him

One final breath he gave As heaven looked away The son of God was laid in darkness A battle in the grave The war on death was waged The power of hell forever broken

The ground began to shake The stone was rolled away his perfect love could not be overcome Now death where is your sting? Our resurrected King Has rendered you defeated

Forever he is glorified Forever he is lifted high Forever he is risen He is alive, He is alive!

The ground began to shake The stone was rolled away his perfect love could not be overcome Now death where is your sting? Our resurrected King Has rendered you defeated

Forever he is glorified Forever he is lifted high Forever he is risen He is alive, He is alive!

We sing hallelujah We sing hallelujah We sing hallelujah The Lamb has overcome

Forever he is glorified Forever he is lifted high Forever he is risen He is alive, He is alive!

You have overcome You have overcome You have overcome
