Look Upon the Lord

Kari Jobe

Look upon the Lord, stand in awe of His beauty Look upon the Lord seated high, He is holy

Let the glory of our God from heaven come down Let the house of the Lord be filled with the cloud

You are good and Your mercy will endure You are good and forever we are Yours Hallelujah, hallelujah Hallelujah, hallelujah

Listen for the Lord, hear the voice of His spirit Call upon His Name, He is near, He is with us

Let the glory of our God from heaven come down Let the house of the Lord be filled with the cloud

You are good and Your mercy will endure You are good and forever we are Yours Hallelujah, hallelujah Hallelujah, hallelujah Hallelujah, hallelujah

Holy, holy With one voice, heaven and earth are singing

(Holy, holy With one voice, Lord God almighty)
