

My Beloved

Kari Jobe

You're my beloved, you're my bride
To sing over you is my delight
Come away with me my love

Under my mercy come and wait
Till we are standing face to face
I see no stain on you my child

You're beautiful to me
So beautiful to me

I sing over you my song of peace
Cast all your care down at my feet
Come and find your rest in me

I'll breathe my life inside of you
I'll bear you up on eagle's wings
And hide you in the shadow of my strength

I'll take you to my quiet waters
I'll restore your soul
Come rest in me and be made whole

You're my beloved, you're my bride
To sing over you is my delight
Come away with me my love
