

Steady My Heart

Kari Jobe

Wish it could be easy
Why is life so messy
Why is pain a part of us
There are days I feel like
Nothing ever goes right
Sometimes it just hurts so much

But You're here
You're real
I know I can trust You

Even when it hurts
Even when it's hard
Even when it all just falls apart
I will run to You
Cause I know that You are
Lover of my soul
Healer of my scars
You steady my heart (2x)

I'm not gonna worry
I know that You've got me
Right inside the palm of your hand
Each and every moment
What's good and what gets broken
Happens just the way You plan

But You're here
You're real
I know I can trust You

Even when it hurts
Even when it's hard
Even when it all just falls apart
I will run to You
Cause I know that You are
Lover of my soul
Healer of my scars
You steady my heart (2x)

And I will run to You
You're my refuge in Your arms
And I will sing to You
Cause of everything You are

You steady my heart (2x)

Even when it hurts
Even when it's hard
Even when it all just falls apart
I will run to You
Cause I know that You are
Lover of my soul
Healer of my scars
You steady my heart (2x)

I'm not gonna worry

I know that You've got me
Right inside the palm of your hand
